

Mid-Atlantic Model YC Hosts Season Ending One Day EC12 FYBOR

Showing that December has EC12 sailing both North and South, 12 hardy skippers braved the New Jersey winter for The Freeze Your Butt Off Regatta(FYBOR). Sunday, December 4, 2011 brought unusually balmy/sunny 57 degree weather at Laurel Acres Park, the fleet's home waters in Mt Laurel, NJ. Regatta Chairman, Dave Branning, set the buoys and handled the line calls, while Skip Hall helped with the finish recording and scores. The one day regatta was the concluding event for the club's EC12 2011 season but all comers were invited. Nick Mortgu distributed custom regatta knit hats, added chilli to the lunch menu and provided all the prizes...as everyone won something on the day. After ten races (2 throwouts) , Mark Rinehart crushed the fleet and threw out a second to win the day.
